**FUNDS FOR JAMES L. MULCAHEY MIDDLE SCHOOL**

Mulcahey is always looking for ways to raise funds. What better way than with a paper recycling program? The students and faculty at Mulcahey School have teamed up with Abitibi-Consolidated Recycling Division to bring you an exciting program called the Abitibi Paper Retriever® Program.

Starting today, anyone in the community can go to Mulcahey School and easily be a part of this unique recycling program.

Located at **28 Clifford Street in Taunton**, the Abitibi Paper Retriever® bin will be available 24 hours a day.

Paper suitable for recycling through the Abitibi Paper Retriever® program includes all CLEAN and DRY: **Newspapers, Magazines, Shopping Catalogs, Office and School Papers and Mail**

On a regularly scheduled basis, Abitibi-Consolidated Recycling Division will empty the Abitibi Paper Retriever®, and after collecting the minimum amount of paper per month, **Mulcahey School will earn revenue from the contents of the Abitibi Paper Retriever®**. The paper will then be taken to Abitibi-Consolidated Recycling processing center, where it will be sorted. Finally, it will be sent to one of Abitibi-Consolidated's de-inking facilities in the United States, where it will be turned into marketable paper products such as newsprint.

Everyone in the community is encouraged to participate in this innovative program to recycle paper products. Local involvement can help save landfill space, clean up the environment and earn money for their neighborhood school by taking recyclable paper to the school's new Abitibi Paper Retriever®.

This is an easy way for you to recycle your paper every week and help us raise money for Mulcahey School. Please remember to bring your paper and drop it in the Abitibi Paper Retriever®. There is no financial commitment from you, just bring us your paper!
